2. A reference to the Proceedings of the Joint Committee held on the 24th August 1899 (copy of [illegible])

forwarded to you with my No: 3609 of the same date) will, I think, clearly indicate that it was the intention that vehicles and animals for which taxes are paid in the city would be admitted free into the Civil and Military Station, and that similarly vehicles and animals taxed in the Station would be admitted free into the city.

3. I would accordingly suggest in reference to your No: 434 dy 19/21 Sept^{br}./99 that in the bill modification affecting tolls, provision be made to exempt vehicles and animals from toll on entering the city where such vehicles and animals pay tax in the Civil and Military Station.
